CLASSES in THE VALLEY

The November 'Now Know Myself' Class with instructors Iole Lebensztajn, Waltraud Riegger-Krause & Anita Willoughby, was a huge success. Participants were led through 5 fun-filled days of study, practice and dance! It was hard to let the Instructors go! However, the great news is that Iole is returning to Scottsdale in May 2007, to teach our 5 day Basic seminar!

If you enjoyed Iole the first time around, or missed the NKM, this is a wonderful opportunity to be with her again! Sign up soon, as we anticipate a lot of interest in this class. Details follow.....

ABOUT THE INSTRUCTOR

Iole Lebensztajn is from Brazil, where she graduated in medicine. During college she looked for an integrated pathway in which people could become more responsible for their own health.

In 1990 she found what she was looking for in Jin Shin Jyutsu (JSJ). Her experience shows that JSJ helps us perceive our reality in a clearer way thus allowing acceptance or change when necessary.

A busy mother of two young children she has just recently returned to full time JSJ teaching.

MENTORING PROGRAM

The Mentoring Programs continue to be a tremendous success. Looking ahead, we have a full calendar of programs.

We are offering this program to foster continuing education and support for practitioners. We encourage you to take advantage of this wonderful opportunity to deepen your experience of this timeless art.

The Mentoring Program provides in-depth, practical study in a small group setting with certified JSJ instructors. For one week, student practitioners will gather with one faculty member, and participate each day in six hours of hands-on, discussion and other study activities.
