ABOUT THE INSTRUCTOR

Ian Harris spent years exploring the universe through many forms of music, Eastern Philosophy, meditation, yoga and bicycle riding. In 1983, in New York City, he began studying Jin Shin Jyutsu – Physio-Philosophy with Mary Burmeister, finding the thread (Now Know Myself) which tied all the other pursuits together. He has been practicing this Art for 27 years, and has been presenting the five day seminar since 2000. Initially attracted by the simplicity of Jin Shin Jyutsu and straightforward approach of Mary, Ian aims to bring these qualities to the seminars. The years of study and teaching have only helped to deepen the awareness of this simplicity that holds the many aspects of Jin Shin Jyutsu together. This way we can all relax and have fun while watching this universal Art reveal itself to us.
