\* Not all Special Topics are approved to offer CE hours/PDA pts. Please check with the Scottsdale office for more information.

❑ If a JSJ class type or CE organization/agency is not listed, we can offer the Letter of Verification, which documents total hours attended at class as well as each of our provider numbers. We *cannot* guarantee that the alternative agency will accept Jin Shin Jyutsu, Inc. CE credits, as it varies state to state. We do not keep record of those that do or do not. We are NOT a post-secondary educational institution, and that is sometimes a determining factor as to whether or not a state will honor our hours.
